Testo Della Canzone

Blowin' in the wind di Bob Dylan
How many roads must a man walk down
Before you call him a man?
Yes, ‘n’ how many seas must a white dove sail
Before she sleeps in the sand?
Yes, ‘n’ how many times must the cannon balls fly
Before they’re forever banned?
The answer, my friend, is blowin’ in the wind,
The answer is blowin’ in the wind.
How many times must a man look up
Before he can see the sky?
Yes, ‘n’ how many ears must one man have
Before he can hear people cry?
Yes, ‘n’ how many deaths will it take till he knows
That too many people have died?
The answer, my friend, is blowin’ in the wind,
The answer is blowin’ in the wind.
How many years can a mountain exist
Before it’s washed to the sea?
Yes, ‘n’ how many years can some people exist
Before they’re allowed to be free?
Yes, ‘n’ how many times can a man turn his head,
Pretending he just doesn’t see?
The answer, my friend, is blowin’ in the wind,
The answer is blowin’ in the wind.

  Mm, mm, mm
  You know it’s blowin’ (blowin’)
  Blowin’ (blowin’)
  And it’s blowin’ (yes it is now)
  Whoa, blowin’, mm, mm, mm
  How many roads must a man walk down
  Before they call him a man?
  And how many seas must a white dove sail
  Before she sleeps in the sand?
  How many times must those cannon balls be fired
  Before they’re forever banned?
  Whoa, yeah, let me tell you that
  The answer, my friend, is blowin’ in the wind
  The answer is blowin’ in the wind
  Whoa, yeah
  (Well how many years)
  Now how many years can a mountain exist
  (Yeah before)
  Before it’s washed to the sea?
  (And I wanna know how many)
  Now how many years can a man exist
  (Ah before)
  Before he’s allowed to be free?
  (Too many years have gone by already now Stevie)
  Now how many times can a man turn his head
  (He turn his head and pretend)
  And he pretends that he just doesn’t see?
  Whoa, yeah, you know the answer, my friend, is blowin’ in the wind
  The answer is blowin’ in the wind
  Whoa, you know that the answer is blowin’ in the wind
  Uh huh, let me tell you it’s blowin’ (blowin’)
  Blowin’ (blowin’)
  And it’s blowin’ (yes it is now)
  Whoa, the answer is blowin’ in the wind
  And it’s blowin’, yeah, yeah, yeah
  The answer is blowin’, la la la la la la la
  You know that the answer is blowin’ in the wind
